### Contemporary Style in a Tropical Island Paradise

Fiesta Resort Guam, located directly on Tumon Bay, features an ideal location for any vacation.

In the tropical islands of Micronesia, as in many countries around the world, the word Fiesta represents fun, celebration and a warm cultural tradition. This is the focus of the Fiesta Resort Guam. Carefully designed to offer a memorable vacation experience, guests will discover the warm hospitality and culture of the islands through modern tropical design. The new rooms feature nature colors of the sand and sea, inviting guests to relax in fresh contemporary surroundings unlike any others in Micronesia.
